

### When Adults Try to Hide a Rape

When a child tells someone they were defiled, some adults may think that it is best to deal with the situation outside of the criminal justice system. This is called a private settlement, and it can include the exchange of money or livestock, such as goats or cows. Private settlements may seem like a good idea, but **they actually prevent police from investigating the incident and bringing the perpetrator to justice so that he faces jail.** If a perpetrator is able to pay money to the girl's family instead of going to jail, the perpetrator can continue defiling other girls. A private settlement can send the message to the community that defilement is acceptable when the perpetrator pays money to the child's family to prevent them from pursuing justice for the crime. If a survivor's parent makes an agreement with a perpetrator (i.e. a private settlement), instead of reporting to the police, the parent's action violates the law in Kenya. Making a private settlement is known legally as obstruction of justice. Obstruction of justice is a very serious crime. Magistrates in courts have convicted parents for obstruction of justice and warn parents against agreeing to private settlements. If someone you know tries to engage in a private settlement, you can contact your local rape rescue centre for support, using the information on the back of this page. You can also speak to a trusted adult or report to the police.

### Why Are Private Settlements Not Allowed in Defilement Cases?

They deny survivors access to justice. Access to justice is important for survivors of defilement, because the perpetrator's behaviour must be condemned. When a parent chooses to participate in a private settlement with the perpetrator, the perpetrator's behaviour is treated as acceptable. The community sees that someone can commit a horrible crime and still be free.

For the survivor, a private settlement is a form of secondary victimization - **the survivor suffers from more trauma on top of the trauma from the rape.** A private settlement creates secondary victimization at the hands of family, because the parents are taking money and choosing not to pursue justice that will ensure that the girl's rights are respected. This form of secondary victimization can be especially difficult for the girl, because it is from people who she trusts to protect and support her. Parents who enter into private settlements and trade their children's rights for money have violated their child's trust and violated the law.

## What Are the Impacts of Private Settlements in Defilement Cases?

The survivor might continue to live in fear, because the perpetrator remains free and continues their terrible behaviour. Private settlements may prevent other girls who experience defilement from coming forward and reporting their experience. This culture of silence is especially damaging because it allows perpetrators to continue their actions with **impunity**. The police, as the gatekeepers of the criminal justice system, should investigate the incident of defilement when it is reported. By taking a private settlement, the parents of the girl are preventing the police from ever finding out about the incident. The police will not know that the incident occurred, so they won't investigate it. **Therefore, many cases never get to court, which leads to silence, impunity and shame and perpetuates rape culture.** When criminal cases go to court, information is public and available to organizations and activists who are fighting for children's rights. They can lobby the government for changes to the justice system and hold the government accountable for handling defilement cases properly. Organizations and activists can also provide resources to support the survivors through the trial, if needed. However, if parents participate in private settlements, there is less information for activists to fight for children's rights.

## COMMUNITY CORNER

This week we asked the Justice Club leaders:

*Imagine you were talking to an adult. How would you explain the problem with private settlements to them? Can you think of other reasons why private settlements are bad for survivors?*

### Adorable Little Bee-Eater from Mombasa said:

"The perpetrator gives money or anything worth so that the parents or the surrounding of the survivor to not report the case where by the survivor does not get justice it is wrong because the survivor feels bad and hates herself for being helpless that even the people she trusted the most let her down."

### Splendid Spaceship from Kakamega said:

"This makes the perpetrators continue defiling other Girls instead of going in Jail which is the wrong ."

### Truthful Comet from Nairobi said:

"Rape culture is when people believe that Rape is inevitable. Private settlements are bad because it kills the voice of the survivor to fight and get justice."

### **Watu Wazima Wanapojaribu Kuficha Ubakaji**

Wakati mtoto anapomweleza mtu kuwa amenajisiwa, wapo wanaodhani kwamba ni vyema zaidi kusuluhiha hali hiyo nje ya mifumo ya haki za kijinai (criminal justice systems). Hii inajulikana kama suluhisho la faragha (siri) au nje ya mahakama, na kuwa inaweza kujumuisha ubadilishanaji wa pesa au mifugo kama vile mbuzi na ng'ombe. Japokuwa suluhu kama hili linaonekana kuwa zuri, linazuia polisi kufanya uchunguzi ili kupata haki na mbakaji kupewa kifungo kinachomfaa. Ikiwa mbakaji atawea kulipa familia ya msichana aliyebakwa ng'ombe badala ya kwenda jela, basi ataendelea kuwabaka wasichana wengine. Huenda suluhu kama hili likatoa ujumbe au hisia kwa jamii kwamba unajisi ni jambo linalokubalika katika jamii hiyo pale mtendaji kitendo hicho anapolipa pesa kwa familia ya mtoto aliyemnajisi ili kukwepa haki ya kosa hilo la jinai (crime). Iwapo familia ya mnajisiwa itakubaliana na mnajisi (kwa mfano, suluhisho la faragha/nje ya mahakama), badala ya kuripoti kwa polisi, wazazi wa msichana aliyenajisiwa watakuwa wanakiuka sheria za Kenya. Kisheria, kusuluhiha kosa nje ya mahakama/faraghani ni sawa na kukwepa au kuzuia haki kutendeka. Kuzuia haki kutendeka ni kosa hatari sana la kijinai. Mahakimu wengi wame wahukumu wazazi waliohusika katika kuzuia haki kutendeka na kuwaonya wazazi hao dhidi ya kufanya makubaliano yoyote faraghani au nje ya mahakama. Ikiwa mtu unayemfahamu atajaribu kujihusisha na usuluhihaji wa kosa la unajisi nje ya mahakama, tafadhalii wasiliana na kituo cha kushughulikia waathiriwa wa ubakaji kilicho karibu nawe kwa kutumia taarifa iliyopo nyuma ya ukurasa/makala hii. Vilevile, unaweza kumweleza mtu mzima unayemwamini au kuripoti kwa polisi.

### **Kwa nini Usuluhishaji Kesi za Unajisi nje ya Mahakama Hauruhusiwi?**

Usuluhishaji wa kesi za unajisi nje ya mahakama huwanyima waathiriwa wa ubakaji haki. Kumbuka kuwa haki ni muhimu kwa waathiriwa wa unajisi kwani ni lazima tabia hiyo ya mnajisi ilaaniwe (condemned). Iwapo mzazi atakubali kusuluhiha kesi ya unajisi nje ya mahakama, itaonekana kana kwamba tabia hiyo ya mnajisi inaruhusiwa. Jamii inadhani kuwa mtu anaweza kutenda kosa la jinai na bado akawa huru.

Kwa yule aliyenajisiwa, usuluhishaji kesi yake nje ya mahakama ni sawa na njia nyingine ya kumtendea mabaya/kumwonea – kwamba mwathiriwa anapata kiweve zaidi juu ya kile alichopata kutokana na kubakwa. Suluhisho la nje ya mahakama linajenga maonevu ya aina nyingine (kando na unajisi) katika familia ya mwathiriwa kwani wazazi hao wanapokea pesa na kukwepa kuhakikisha kuwa haki za mwanao zimeheshimiwa. Aina hii ya maonevu/kutendewa mabaya inaweza kumwia vigumu/kumwathiri msichana aliyebakwa kwani inatekelezwa na watu anaoamini na amba walifaa kumlinda na kumpa usaidizi kila anapohitaji. Wazazi wanaojihusisha na usuluhishaji wa kesi za ubakaji nje ya mahakama na kuuza haki za wanao kwa pesa wamekiuka imani ya wanao kwao na vilevile sheria.

## Athari za Kusuluuhisha Kesi za Unajisi nje ya Mahakama/Faraghani

Huenda mwathiriwa/manusura wa ubakaji akaendelea kuishi maisha yenyeye uoga kwa sababu yule aliymnjisi bado yuko huru na anazidi kutenda unyama kwa wengine. Usuluuhishaji kesi za ubakaji nje ya mahakama unaweza kuzuia wasichana wengine wanaobakwa kujitokeza na kuripoti uovu huo. Tabia au utamaduni kama huu unaathiri pakubwa kwani unawawezesha wanajisi kuendelea na vitendo vyao bila kujali. Polisi, ambao ndio walindaji wa mifumo ya haki wanafaa kuchunguza kesi za unajisi kila zinaporipotiwa. Kwa kukubali kusuluuhisha ubakaji wa mwanao nje ya mahakama, wazazi husika wanazuia polisi kujua utokeaji wa unajisi huo. Kwa kuwa polisi hawatajua kuwa unajisi huo ilitokea, basi hawatachunguza. Hivyo basi, kesi nyingi za ubakaji hazifikishwi mahakamani jambo ambalo linasababisha ufichaji wa ubakaji, aibu, utendaji unyama kwa kutojali na pia kueneza tabia au utamaduni wa ubakaji. Wakati kesi za jinai zinapopelekwa mahakamani, taarifa hizo hupatikana na umma, mashirika ya kijamii na vilevile wateteaji wa haki za watoto. Hawa wanawenza kushinikiza serikali kubadilisha mfumo wa kisheria na pia kuwajibika katika kushughulikia kesi za ubakaji. Mashirika na wateteaji hawa wa haki za watoto vilevile hutoa usaidizi au msaada kwa waathiriwa hasa mahakamani pale wanapohitajika kufanya hivyo. Hata hivyo, ikiwa wazazi watajihusisha na utatuaji wa kesi za ubakaji nje ya mahakama, hakutakuwa na taarifa za kutosha kwa wateteaji hawa kupigania haki za watoto.

### Pembe ya Kijamii

Wiki hii tuliwaliza viongozi wa Justice Club: *Hebu fikiria kuwa unazungumza na mtu mzima. Je, utamwelezaje tatizo kuhusu utatuaji wa kesi za ubakaji nje ya mahakama? Je, unadhani ni sababu gani nyininge zinazofanya usuluuhishaji kesi nje ya mahakama kuwa jambo baya kwa waathiriwa wa ubakaji?*

#### Adorable Little Bee-Eater kutoka Mombasa alisema:

“Mbakaji huwapa hela ama mali ili wazazi ama wanaomlea mwathiriwa wasiripoti visa vya ubakaji ila mwathiriwa huwa hapati haki. Haifai kwani mwathiriwa huhisi mnyonge na hujichukia kwa kuwa hata wale anaowaamini hawakumsaidia.”

#### Splendid spaceship kutoka Kakamega alisema:

“Hili huwafanya wabakaji kuendelea kuwabaka wasichana badala ya kutiwa korokoroni. Haifai.”

#### Truthful Comet kutoka Nairobi alisema:

“Desturi ya ubakaji ni wakati watu wanaamini kuwa Ubakaji hauwezizulika. Makubaliano ya kisiri ni mabaya kwani huinyanyasa sauti ya mwathiriwa kujipigania na kupata haki.”
