

Supporting Survivors of Defilement

- 1. Believe the Survivor:** It is scary for the survivor to share their experience with others. You can create a safe space and reassure them that you know the assault was not their fault, and that you still love and care about them. Some survivors may not tell anyone about their assault right away, to stop the attention or to protect the perpetrator from being identified or prosecuted. This does not mean that the survivor was lying.
- 2. Provide Psychological First Aid (PFA):** If possible, ensure that you are in a secure and safe place when discussing with the survivor or third party, for example, a quiet corner of the school yard, under a tree, away from other people. Listen without judgment.
- 3. Respect the Survivor's Privacy:** Limit the number of people who are informed about the incident. Remember that you are only able to tell others if the survivor has agreed to share their story, meaning that you have the informed consent or agreement of the survivor to reach out to someone else for help or support.

Survivors' Emotional Responses

These are some emotions that a survivor of defilement may experience. They may go through several of these emotions at once and it is important to learn how to best support them.

- 4. There is No Right or Wrong Way to Heal from Defilement:** The survivor did their best under tremendous stress. Feeling scared is normal. It is very normal if they weren't able to fight back or protect themselves. They could have felt like they were in danger or scared for their lives. This does not mean that they gave the perpetrator consent, or that they wanted to be assaulted. The speed of a journey to healing can depend on the time over which the abuse occurred, the intrusiveness of the abuse, the acquaintance level between the survivor and perpetrator, and the way that the defilement occurred.

- 5. The Survivor Will Talk When They are Comfortable:** As much as you want to help right away, the survivor will do what is comfortable for them. They may not want to talk about the incident right away, or at all. It is your job to listen, be supportive and provide a safe space.
- 6. Do Not Discriminate:** Boys can also be survivors of defilement. Make sure that you provide the same support to a survivor if they are a boy or a girl.

Responses to Avoid

It is difficult to understand how to best support survivors. Here are some responses to avoid when someone discloses a defilement to you.

1. Do not ask questions that make the survivor relive the experience or pressure the survivor for further details.
2. Do not offer advice or judgments. Do not provide counseling. This is the job of a social worker or rape rescue counselor.
3. Do not make false promises or provide false information.
4. Do not force help, be intrusive or pushy.
5. Do not share the story without the survivor's agreement unless absolutely necessary.
6. Do not mediate between the survivor and perpetrator or third party.

COMMUNITY CORNER

This week we asked the Justice Club leaders: *what would be the first message of support you would share with a defilement survivor? If you were to create a message of empowerment for girls, relating to sexual violence to put on a t-shirt, what would it be?*

Orange Wildebeest from Homabay said: "I would tell him or her that, I believe you, it is not your fault and you did not deserve this. One girl's right is community progress."

Genuine Mind from Kilifi said: "Let us take action now together as one, to save our girl/boy children from rape."

Happy Rabbit from Kwale said: "I would believe her. "Girls' Rights are Human Rights."

Compassionate Sun from Homabay said: "I would be supporting the victim and convince her or him that it was not his or her fault. I would tell the victim that I believe the circumstances that she or he went through and if she or he agrees to take the matter to the nearest police station then I will take her there. Also, I will tell her or him that our rights are important in the society and all the perpetrators should be arrested."

Kuwasaidia Waathiriwa/Manusura wa Unajisi

- Mwamini mwathiriwa/manusura:** Inaogofya kwa mwathiriwa kusimulia kisa cha kunajisiwa. Unaweza kumwezesha kusimulia kisa hicho kwa kumwandalia mazingira salama (faraghani) na kumhakikishia kwamba kitendo hicho hakikutokana na makosa yake na kwamba bado unampenda na kumjali. Huenda baadhi ya waathiriwa wakakosa kusema kuhusu kunajisiwa kwao mara moja, pengine kwa kuogopa au kuwalinda wale waliowanajisi ili wasitambulike au kuhukumiwa. Hii haimaanishi kuwa mwathiriwa huyo alikuwa adanganya.
- Mpe Ushauri wa Kisaikolojia (Psychological First Aid – (PFA):** Ikiwezekana, hakikisha kuwa upo mahala salama unapozungumza na mwathiriwa au mlezi wake kuhusu kisa hicho. Kwa mfano, sehemu au pembe salama kwenye uwanja wa shule, mbali na watu wengine. Kisha, sikiliza bila kuhukumu au kulaumu.
- Heshimu Usiri wa Mwathiriwa:** Hakikisha kwamba ni watu wachache sana wanaojulishwa kuhusu kisa cha unajisi. Kumbuka kuwa unaweza tu kuwaeleza wengine kuhusu kisa cha unajisi ikiwa mwathiriwa amekupa ruhusa kufanya hivyo kupitia sahihi au makubaliano rasmi, ili kupata usaidizi zaidi.

Hisia za Mwathiriwa

Hizi ndizo baadhi ya hisia ambazo humkumba mwathiriwa wa unajisi. Huenda wakapitia hisia hizi kwa mwandamano au kwa mara moja. Ni vyema kujifunza jinsi ya kuwasaidia.

- Hakuna Njia Nzuri au Mbaya ya Kuuguza Unajisi:** Mwathiriwa alifanya kila alichoweza na kupitia dhiki kubwa. Kuhisi hofu ni jambo la kawaida. Ni kawaida ikiwa hawakuweza kujipigania au kujilinda. Huenda walihisi kuwa katika hatari fulani au kuhofia maisha yao. Hii haimaanishi kuwa walimruhusu mnajisi kuwatendea kitendo hicho au kutaka kushambuliwa. Kasi au kipindi cha kuuguza unajisi huenda kikategemea muda wa unajisi, kiwango cha dhulma, uhusiano kati ya mnajisi na mwathiriwa, pamoja na jinsi unajisi ulivyotokea.

- Mwathiriwa Atasimulia Kisa Atakapoweza Kufanya Hivyo (Usimlazimishe Kuzungumza):** Japokuwa ungetaka kumsaidia mwathiriwa mara moja, atafanya tu anachoweza kufanya kwa wakati huo. Huenda wasitake kuzungumzia kisa hicho mara moja, au milele. Ni jukumu lako kusikiliza, na kumsaidia huku ukimpa mazingira yanayofaa kuweza kufanya hivyo.

- Usibaguane:** Wavulana wanaweza kuwa waathiriwa wa unajisi. Hakikisha kuwa unawapa msaada kama unaowapa wasichana.

Majibu/Maswali Unayofaa Kukwepa/Yasiyofaa

Ni vigumu kujua ni jinsi gani ya kumsaidia mwathiriwa. Haya ni baadhi ya majibu au maswali unayopaswa kukwepa pale mtu anapokweleza kuhusu kunajiswa kwake.

1. Usiulize maswali yatakayomfanya mwathiriwa kuhisi kana kwamba anapitikia kitendo hicho tena wala kushinikiza kutoa maelezo zaidi.
2. Usitoe ushauri au hukumu/msimamo. Hili ni jukumu la mshauri wa kijamii au wa ubakaji.
3. Usitoe ahadi au taarifa za uongo.
4. Usilazimishe mwathiriwa kupokea uasadizi wako au kukauka usiri wake.
5. Usiwaeleze watu wengine kuhusu kisa cha mwathiriwa ila kupitia idhini yake au ikiwa ni lazima kufanya hivyo.
6. Usiingilie kati au kuwa mpatanishi wa mwathiriwa na mnajisi au mtu mwingine.

Pembe ya Kijamii

Juma hili tuliwaauliza viongozi wa Justice Club: *je, ni ujumbe upi wa kimsaada ambao ungempa mwathiriwa wa unajisi kwanza? Je, ni ujumbe upi ungejumuisha katika fulana (T-shirt) ili kuhamasisha wasichana kuhusiana na dhulma za kimapenzi?*

Orange Wildebeest kutoka Homabay: "Ningewambia kwamba, naamini wewe, sio kosa lako na haukustahili hili. Haki ya msichana mmoja ni maendeleo ya jamii."

Genuine Mind Kutoka Kilifi: "Tuchukue hatua sasa pamoja kama kitu kimoja, ili kuokoa watoto wetu wa kike/kiume kutoka kwa ubakaji."

Happy Rabbit kutoka Kwale: "Ningewamini yeye. " Haki za wanawake ni haki za binadamu."

Compassionate Sun kutoka Homabay: "Ningemuunga mkono mwathiriwa na kumshawishi kwamba haikuwa kosa lake. Ningewambia mwathiriwa kwamba naamini mazingira ambayo yeye alipitia na ikiwa anakubali kupeleka suala hilo kwenye kituo cha polisi kilicho karibu basi nitampeleka huko. Pia, nitamwambia kwamba haki zetu ni muhimu katika jamii na wahusika wote wanapaswa kukamatwa."
